

2017-2018
Barkhamsted School Directory

Each year, the Barkhamsted PTO publishes a school directory. Our mission is to provide families with names and contact information of classmates, school staff, and PTO chairs.

Data collection for the directory is paperless. Using our simple and secure online form, you can be in the directory in minutes! Here's a link to the form:

Thank you in advance for helping the PTO achieve its goal of publishing an accurate and complete directory for use by our school community.

The deadline for submission is Friday, September 1, 2017.
