The Tri-State Mini Maker Faire

The Tri-State Mini Maker Faire is coming to The Hotchkiss School in Lakeville, CT on Sunday, April 8, from 10-3. Fun for all ages, expect hands-on arts and technology workshops (puppets, photography, metalwork, computers, and many more). Robot demos from the Region 7 robotics team, the Ithaca Physics Bus will be parked outside, and Ravenban's FireCraft from Barkhamsted will put on an amazing show! Come check it out- Free tickets online or register at the door:

<https://tristate.makerfaire.com>

Pre-registration enters your name into a drawing for door prizes.

6th Grade Immigration Night

Immigration Night was a huge success. Each sixth grade class presented a play on a specific immigrant experience during the late 1800's or early 1900's. From the arrival of an Irish family in Boston due to the potato famine, from a Russian shetl to the sweatshops of New York City, from China to the gold mines of San Francisco, and an immigration rap as the grand finale. Everyone gave an outstanding performance. Students' work from their six week immigration unit was displayed as well.

Penny Auction

The Penny Auction is fast approaching! Don't forget to send in your donations for your child's classroom basket.

Volunteer Training

The last volunteer training of the year will be Thursday, April 26th at 7:30 pm. Please call the office at 860-379-2729 to RSVP.

PTO 5K River Run

The Barkhamsted 5K Run & Non-Competitive Walk will be on Saturday, May 5th. Please click the link to register.

Preventing Disease:

In addition to preventing tooth decay, proper **dental** care will also help to protect a child from becoming ill. **Dental** cavities and other oral health problems can expose a child's body to a range of germs from the environment.

Check out these community programs that accept Husky insurance and other payment plans. Community Health Center and the Brooker Dental, both in Torrington, have complete dental services for children.
